

Although we're known for our simple plain cheese or pepperoni pizzas, with so many delicious toppings to choose from, you can create your own masterpiece. However, if the choices are too overwhelming, try one of our famous pies. All our pizzas are topped with whole milk Italian mozzarella & herbs. If you prefer "senza formaggio" (without cheese) please feel free to request. For take-out orders, we recommend ordering your pizza "half-baked" to be finished at home. This allows you to achieve near Brooklyn Pie Co. perfection. We would love to make your favorite combination – it could become our favorite! So, Go for it!
